

POSTGRADUATE PHYSIOTHERAPY UNIVERSITY OF OTAGO

New Zealand's First University, QS ranked 176th
Ranked in the top 1% of universities worldwide

CLINICAL PROGRAMMES

Clinically based courses are either two-semester (one year) or three-semester (one and a half years) programmes. All candidates need to have the following:

- a relevant bachelor's degree in Physiotherapy (**Indian applicants must have achieved a 65% grade average**)
- one year's full-time relevant clinical work experience after graduation and internship.
- special purpose scope of practice registration for postgraduate students with the Physiotherapy Board of New Zealand. This is restricted to a university course and limited to the duration of the course.

Two Semester Programmes	Three Semester Programmes
Postgraduate Diploma in Physiotherapy with endorsement in: <ul style="list-style-type: none">• Orthopaedic Manipulative Therapy• Sports Physiotherapy	Master of Physiotherapy with endorsements in: <ul style="list-style-type: none">• Orthopaedic Manipulative Therapy• Sports Physiotherapy

NOTE: Graduating with a Postgraduate Diploma or Master of Physiotherapy from the University of Otago does not enable registration as a physiotherapist in New Zealand. Further, a bachelor's qualification in physiotherapy from India will not be recognized for full registration in New Zealand.

APPLICATION TO OTAGO

- Physiotherapy candidates can apply online through the University's website, www.otago.ac.nz/international
- The 2020 annual tuition for Postgraduate Physiotherapy programmes is NZ\$41,452 (Approx) 19 Lakh. Living expenses may amount to NZ\$15,000-NZ\$18,000 per year.
- The academic year is end of February to mid-November.
- English language: evidence of English language proficiency is required if English is not the applicant's first language (IELTS score of 6.5 with no individual band below 6.0; TOEFL iBT score of 95 with a writing score of 22).
- Please check the following website for information on whether or not you need to provide an Educational Credentials Evaluation: www.otago.ac.nz/international/otago005425.html

REGISTRATION

- Applicants require special purpose scope of practice registration for postgraduate students with the Physiotherapy Board of New Zealand, which is restricted to a university course and limited to the duration of the course.
- Application forms for registration are available from:

Physiotherapy Board of New Zealand
PO Box 10 734
Wellington
New Zealand

Tel: + 64 4 471 2610
Email: registration@physioboard.org.nz
www.physioboard.org.nz

Applications for special purpose scope of practice registration must be made directly to the Physiotherapy Board. This process should be started as soon as an Otago Offer of Place has been obtained. Physiotherapy students will need to supply the following material in support of their application for registration with the Physiotherapy Board:

- The application form obtained from the Physiotherapy Board of New Zealand which includes a statutory declaration of their intention to be a temporary resident, solely for the purposes of study towards a higher degree at the University of Otago.
- Evidence of current registration as a physiotherapist from their local registration authority.
- A certificate of good standing or letter from their local registration authority stating they are of good standing in the profession.
- CV

Proof of gaining special purpose scope of practice registration must be produced before a student can commence the relevant programme at the University of Otago. All documentation that is submitted must be translated into English and acknowledged as an accurate translation by an official, certified translator.
